

Throwing It All Away

written by Dennis Roth (2000)

Verse 1

Don't worry about the nature
So you feeling very mature
Don't worry about tomorrow
Throw about your bitter sorrow

Chorus

Throwing it all away
Tomorrow is another day
Throwing it all away
Someone will come this way
Why don't you throw away yourself?

Verse 2

You would even throw away a pearl
Because you don't like its pretty shell
Is there any brain in you?
Reminding me to do what I shall

Verse 3

I can tell you why I don't like you
Simply because you don't tell the truth
Can you tell me why you don't like me?
Think about your wounded knee

Verse 4

Does it satisfy your longing?
Dishonour to what you are belonging
Have you ever ever kissed a girl?
If not you've really missed the world
